

urbanbubble - Complaints Procedure

urbanbubble strives to provide a high level of service; however we recognise that occasionally, we might not meet the high standards we set ourselves. If you are unhappy with our service, we'd like to know so we can put things right for you. Outlined below you'll find some simple steps to take should you wish to make a complaint.

Stage One

We'd like to deal with your issue as quickly as possible. Give us a call on 0151 305 8989 where one of our team will be happy to talk to you about the issue. One of our team members will attempt to resolve your complaint in the first instance, when raised verbally or via letter/email.

Stage Two

If one of our team members is unable to resolve your complaint over the phone or via email in the first instance, or you would like to raise a formal complaint, send us a letter or an email using the contact details below. Clearly state 'complaint' in the title and include as much information as possible.

All written complaints will be acknowledged within 3 working days and a Line Manager will investigate and aim to respond, and fully resolve, your complaint to the satisfaction of both parties within 15 working days of sending the acknowledgement letter/email. In the event that we're unable to do so within this timeframe but are still working on a solution, we will contact you to provide regular updates on our progress.

Stage Three

At this stage, if you are still not satisfied, we will arrange for a separate review to be undertaken by an independent Senior Manager.

A Senior Manager will acknowledge your complaint within 3 working days and endeavour to send a final viewpoint letter/email, resolving any issues to the satisfaction of both parties within 15 working days of sending the acknowledgement letter/email. In the event that we're unable to do so within this timeframe but are still working on a solution, we will contact you to provide regular updates on our progress.

Who else can help?

If you are still not satisfied after the final stage of the in house complaints procedure outlined above (or more than eight weeks has elapsed since the formal complaint was first made) you can request an independent review from The Property Ombudsman, who will investigate your complaint without charge.

You will need to submit your complaint to the Property Ombudsman within 12 months of receiving our final viewpoint letter, including any evidence to support your case.

Mediation

If at any time during the complaints process either party feels that the situation might benefit from the involvement of an independent mediator, this can be incorporated into the process. Although we acknowledge that mediation can help resolve problems in certain situations, we do not expect it to be necessary as we are more than happy to work and communicate directly with you throughout your complaints process.
